

## Eye Exam for Members with Diabetes

Call and make an appointment with a Physicians Eyecare Plan provider in your area. Inform him or her when you make the appointment that you are a Blue Option member. This office visit will be covered at 100 percent; you will not have to pay a copayment. Please note: Eyewear (i.e., glasses, contacts, etc.) is not covered under your Blue Option benefits.

Please give this self-referral authorization to the provider at the time of your eye exam. Let the provider know if you have any other insurance. If you have questions about this procedure please call us at [855-838-5897](tel:855-838-5897) and select option 2.

### Attention Office Staff

If this member has other insurance that is primary, that claim must be processed before filing the claim with the Physicians Eyecare Network\* (PEN). PEN provides vision services through the Physicians Eyecare Plan (PEP) on behalf of BlueChoice HealthPlan.

Please file a claim with the PEP. If you have any questions about filing, please call PEP at [800-368-9609](tel:800-368-9609).

This authorization is valid for one visit for the following CPT4 codes only:

**New Patient:** 92004

**Established Patient:** 92014

**Refractions:** 92015

This self-referral authorization is only valid for the member listed and only if he or she are currently enrolled with Blue Option.

\*PEN is an independent company that administers vision benefits on behalf of Blue Option.
